Subject: Re: reminder about 09/929,420

Thank you. As noted in the record, I disagree with the rejections. But I do not plan to pursue this application further -- I already have patent no. 6324650 on this technology, and pursuing the divisional application 09/929420 just isn't cost-effective for me. Please consider abandonment confirmed.

Respectfully,

John Ogilvie
